From

Esq

Inspector General of Education in Mysore

To

C S Balasundaram Iyer Esq B A

Secretary to the Government of His Highness the Maharaja of Mysore Departments of Education &c

Sir

I have the honour to inform you that year after year teachers in Government employ are being deputed to undergo training in the Normal Schools of the State The usual arrangement has hitherto been to give the teachers under training a part of their pay and the stipend of the standard in which the training is being undergone Those of the teachers that are in the classes therefrom the candidates have to undergo a final examination have the practical part of their examination conducted at Mysore by a Board

2 Those that fail in the written examination are ordered to go back to their places as soon as the results are known and report themselves for duty Those that pass the written test are detailed as soon as the results of the written examination are known to take their practical examination in Mysore

3 In either case the masters used to be paid the stipend and part of their pay which together equal their usual pay during the period of transit The Comptroller now takes exception to this procedure of giving them part of pay and stipend during joining time To avoid this hardship it was proposed to depute the teachers to undergo training on their own pay provision being made for substitutes on the lowest salary of Rs 10 as this arrangement gave more freedom [illegible] salary for the period corresponding to the actual

pay Government were pleased to approve of this arrangement in regard to the newly started English Training Class in the Normal School at Mysore

4 As it is time for the Normal Schools closing for the vacation, the Comptroller was asked to advise procedure in respect of the disbursement of pay to these masters He replies that the masters should stop drawing the stipends on the day the practical examination ends notwithstanding the fact that the stipends are provided for a whole year The pay for the transit period is but a fraction of their pay that is left after providing for substitutes This is penalizing the masters needlessly for a short period The training which the Government impart to them at such great expense is, if anything more an the interest of the Department than of the teachers, as the training as such gives them no pecuniary advantage immediately The expense to the Government would be little and the stoppage of part pay for transit time when the masters are actually given travelling expenses seems hardly justifiable in principle

5 Pending the complete carrying out of the arrangement of deputing masters under training on their own pay and providing for substitutes as a general arrangement I beg that orders of Government may be obtained approving of my arrangement to let the masters draw the equivalent of their full pay which they drew while under training during the period of transit as well, as else it will cause considerable hardship and needless inconvenience

In anticipation of approval, I have issued instructions copy of which is herein enclosed, for the relief of the masters as heretofore for this year, and request Government's ratification of my action

I have the honour to be

Sir,

Your most obedient servant,

Offg Inspector General

Edn 329-12-1

In modification of the instructions issued in this office No 9705-18 dated 25th February 1913 the following revised instructions are issued regarding the relief of teachers under training in the Normal Schools and the mode of drawing the stipends and portion of pay for the month in which they are relieved -

1. Teachers studying in the Final Classes of the Upper Secondary Pandits' and Moulvis' Classes in the Mysore Normal School will be considered to have been relieved on the evening of the day on which their respective examinations are completed They should be directed to join their respective posts within the time allowed by the Code Rules

2 Teachers under training in the Lower Secondary Training class in the Kolar Shimoga and Mysore Normal Schools and in the English Training Class of the Mysore Normal School should be relieved as stated below -

(a) Such of the teachers as fail in the Written Examinations should be relieved in the Normal Schools on the day the results of the Written Examination are known

(b) Teachers who after passing the Written Examination undergo Practical Examination in Mysore should be considered to have been relieved on the evening of the day on which the Practical Examinations are over

3. Teachers under training in the Upper Secondary Training class of the Mysore Normal School will be relieved on the evening of the day on which the Examination in Practical Agriculture or the Practi-

cle

Practical Examination of the Upper Secondary Examination whichever is later is over

The Head Masters should arrange with the President of the Teachers Certificate Examination Board to obtain the dates on which the Practical Examinations are over and issue last pay certificates accordingly The joining time and the time for journey will be according to the code rules

In all cases teachers will draw at the close of the month in which they are relieved in the Normal Schools the stipend and portion of pay due to them till the date of rejoining their respective posts after availing themselves of the joining time allowed by the code rules and their pay if any for the remaining number of days of the month in the bill of the establishment of the school which they rejoin supported by last pay certificates
